Bangladesh ODI skipper Shakib Al Hasan has signed for Galle Gladiators for the upcoming edition of the Lanka Premier League. Reportedly, the all-rounder, along with his national teammates Litton Das and Afif Hossain, has registered for the draft but the two-time finalists made a direct deal with him. This will be his first season in the LPL and he will have the pressure to deliver as Galle have never managed to win the title.

Notably, the draft will be taking place on June 11 but all five teams have the liberty to sign players ahead of that. Sri Lanka international Wanindu Hasaranga, who has done reasonably well in the ongoing Indian Premier League, has been re-signed by Kandy Falcons while the three-time champions Jaffna Kings have made a brilliant acquisition by signing the South Africa international David Miller. The 33-year-old has played some sensational cricket in the last few months and has managed 255 runs in 13 matches in IPL 2023.

Meanwhile, the Colombo Strikers, who will play their first season of the Lanka Premier League this year, announced a star-studded Icon Players line-up. The Icon Players include Pakistan Captain Babar Azam, highly talented Pakistan speedster Naseem Shah and Sri Lankan T20 stars Matheesha Pathirana and Chamika Karunaratne.

Wanindu Hasaranga likely to lead Kandy Falcons

When it comes to Hasaranga, the star all-rounder is likely to lead Kandy Falcons in the forthcoming season. Under his able leadership, the Falcons finished at the top of the points table last season but lost to Colombo Strikers in Qualifiers 2. Thus, he will be gunning to get the job done this time around and help Kandy win their first championship.

The squad is now being led by Babar Azam, one of the most successful Pakistani captains, and he will continue to do so through the October 2023 World Cup in India.

The Pakistan Cricket Board (PCB), which consists of the chairman of the management committee Najam Sethi, chief selector Haroon Rashid, and director of coaching Mickey Arthur, has yet to make an official statement, but it has been learned from reliable sources that the board's think-tank has unanimously decided to trust Babar Azam as the team's captain through the 2023 World Cup.

"Following a series of meetings over the last few weeks that also included online meetings and during the mid-April meeting when Arthur was here, the troika has decided to continue with Babar as the team captain till the World Cup.

"It is believed that since there was no potential candidate who can come even closer to his abilities as a cricketer and captain, the best and most sane approach is to continue with Babar as the captain till the ODI World Cup 2023," the source confirmed to The News.

"Babar Azam's ability to handle the team in crunch situations and his personal contribution that makes him a leader who can lead the team from the front makes him one of the best not only in Pakistan but around the world as well.

"The decision to retain him, captain, till the World Cup was unanimous as all three during the meetings were convinced that Babar was standing alone at the top of captaincy aspirants list for the extravaganza," the source maintained.

Babar Azam is unbeatable in the batting order, and he once led the team to the World No. 1 ranking in ODIs.
